

**This Privacy Policy was last updated in October 2007.**

*Please read this Privacy Policy carefully. It contains very important information about your rights and obligations as well as limitations and exclusions that may apply to you regarding your use of this website.*

### **Our Commitment To Privacy**

Welcome to [www.gradient-consulting.com](http://www.gradient-consulting.com). Your privacy is important to us. To better protect your privacy we provide this notice explaining our online information practices and the choices you can make about the way your information is collected and used.

### **The Information We Collect**

We may collect non-identifiable information from visits to our website. Our web servers may collect anonymous, non-identifiable information about you such as the Internet Protocol (IP) address of your computer, the IP address of your Internet service provider, the date and time you access our site, the Internet address of the site from which you may have linked to our site, the operating system you are using, the sections or areas of our site that you visit, the site pages read and images viewed, and the content you download from our site, but not the email addresses of visitors. This non-identifiable information may be used for site and systems administrations purposes. It may be aggregated to measure certain information including without limitation the number of visits; the average time spent on the site; and related user practices. In general, we may use this information to measure the use of the site and to improve the site and the benefits that you can get from using the site. When inquiries are emailed to us, we store the questions and the email address information so that we can respond electronically. Unless otherwise required by statute, we do not identify publicly who sends questions or comments to our website.

We respect the integrity of data on your computer. We will not read, upload, obtain data or otherwise access data in or derived from files in your computer.

### **Our Commitment to Data Security**

To prevent unauthorized access, maintain data accuracy, and ensure the correct use of information, we have put in place appropriate physical, electronic, and managerial procedures to safeguard and secure the information we collect online.

### **Links to Other Websites**

This website may now or in the future contain links or references to other websites. Please be aware that we do not control other websites and that, in any case, this Privacy Policy does not apply to those websites. We encourage you to read the privacy policy of every site you visit.

### **Contacting the Website**

If you have any questions about this Privacy Policy, the practices of this website, or your dealings with this website, you can contact us at [info@gradient-consulting.com](mailto:info@gradient-consulting.com). This email address should not be used for communicating personal information.

### **Notification of Changes**

We reserve the right to amend this Policy at any time. Amendments we make to this Policy will apply to your information from the time we post the amendment on this website. It is your responsibility to regularly check the website for amendments to this Policy. You agree to be bound by amendments when posted on this site.
